

Product information AMINO EIGHT

Amino Eight is an amino acid complex with all seven essential amino acids plus the semi-essential amino acid L-arginine. Our amino acids come from legumes. They are vegan and free of any excipients.

Amino Eight contains eight highly pure, free and crystalline amino acids in a combination that has been specially produced for people who should not take L-tryptophan for dietary reasons.

Amino Eight is manufactured, controlled and processed in Switzerland.

Advantages of Amino Eight

Best bioavailability due to micronization and specially processed raw materials.
Physician-approved blends and highest quality raw materials with no fillers/diesel.

Ideal for people with increased needs

Amino Eight is ideal for people with an increased need for amino acids, e.g.

- during sports or other physical exertion
- with vegetarian or vegan lifestyle
- in special dietary nutrition programs
- for the supplementary intake of essential amino acids, but without L-tryptophan
