

Product information ARONIA SHOT

Aronia Shot contains the extract of a handful of sun-ripened, hand-picked chokeberry berries. The berries thrive on farms in Switzerland, are carefully harvested, processed freshly harvested and gently processed into a concentrated extract.

Scientifically tested, purely herbal food from Switzerland. The Aronia Shot is a product that comes 100% from Switzerland.

Aronia berries have a remarkable content of OPC (=oligomeric proanthocyanidins) and polyphenols compared to other fruits. Aronia Shot contains natural vitamin C. This helps protect cells from oxidative stress, as well as reduce fatigue and fatigue. Ideal for athletes. Supports regeneration after physical activities.

Protection against oxidative stress

Aronia Shots contain natural vitamin C.

- Vitamin C helps protect cells from oxidative stress,
- contributes to normal functioning of the immune system and nervous system,
- contributes to the reduction of tiredness and fatigue, and
- increases the absorption of iron.
