

## Product information CBD PET

**CBD Pet** contains an extract of Swiss Cannabis Sativa (from Swiss cultivation) and medium chain triglycerides (MCT) from coconut oil of the best quality. In addition, vitamin B6 and vitamin B12 contribute to normal functioning of the nervous system. Supplementary feed for animals.

Our CBD Pet contains 48.8 % traditional hemp which is grown in Thurgau. The extract is blended with medium chain triglycerides (MCT) from coconut oil to increase the absorption of the fat soluble cannabidiols from the hemp. We examine each batch using analytical methods according to its ingredients
