

Product information CBD Vida

CBD Vida - mouthwash concentrate with valuable ingredients from Swiss hemp. CBD Vida is a concentrate for the preparation of a mouthwash. It contains an extract of traditional hemp (*Cannabis sativa*) from Swiss cultivation, medium-chain triglycerides (MCT) from coconut oil and lecithin from sunflowers of the best quality.

CBD Vida contains various cannabinoids such as cannabidiol (CBD), cannabigerol (CBG), cannabitrinol (CBT), cannabichromene (CBC) and many more. CBD serves as the lead substance, which is used analytically to standardize the hemp extract.

The hemp variety *Cannabis sativa* in CBD Vida is a legal, low-THC special breed, which is grown in the cantons of Thurgau and St. Gallen and harvested by hand. For the high-quality hemp extract, individual substances are not isolated, but all ingredients are preserved. CBD Vida is 100% natural and contains no artificial preservatives or additives.

Taste and appearance

CBD Vida has a slight peppermint taste (due to pure organic peppermint oil), it is dark brown and slightly thick. The drops dissolve well in water, making it cloudy (milky).

Advantages of CBD Vida

- High quality hemp extract
- Well protected in MIRON glass bottle
- Can be dosed safely and accurately with the practical pipette

Recommended dosage

Dissolve 2-3 drops in 20 ml of water 2x daily, rinse the mouth area vigorously for 1 minute and then spit out.

Instructions for use

Store in a cool, dry place out of the reach of children. Do not exceed the recommended amount to be consumed

Minimum shelf life

24 months
