

Productinformation Hot Shot Sport Gel

New: As a practical roll-on. Improved formula: 100% natural! Warming gel based on an organic aloe vera gel and a natural habanero extract. Gives off a pleasant warmth and thus supports the regeneration of the muscles. Net content 100 ml. Good skin tolerance proven.

Improved formula: Now 100% natural! Warming sports cream based on an organic aloe vera gel and a natural habanero extract. Gives off a pleasant warmth and thus supports the regeneration of the muscles.

The haba-nero chilies used for the gel (hydrogel) come from Swiss organic cultivation. The pods are gently dried, ground and concentrated by means of alcohol extract. The habanero concentrate is mixed with an organic aloe vera gel from the inner leaf (inner leaf gel). The aloe vera gel is quickly absorbed into the deeper layers of the skin and is free of aloin, which occurs in the outer leaf and is toxic. We now produce the aloe vera gel ourselves from organic aloe vera powder, which makes us independent of suppliers and their formulations (thickeners, preservatives, etc.). Because the powder is highly concentrated, the aloe vera has moved down the list of ingredients, but the aloe vera content is unchanged! Finally, wintergreen is added as an essential oil. The hydrogel does not contain parabens.

Advantages of the Hot Shot Sport Gel?

- Chili peppers from Swiss organic cultivation
- With the natural heat of aloe vera and habanero (chili)
- With fragrant wintergreen
- 100% natural
- Practical roll-on

Application

Gently apply the Hot Shot Sport Gel as often as necessary by roll-on and let it take effect.

Attention: Do not apply the gel on mucous membranes! The gel warms strongly and long-lasting and is rather unsuitable for pain-sensitive persons and children.

Directions for use

Store in a cool, dry place and do not expose to sunlight. Keep out of reach of children.

Minimum shelf life

36 months

Use within 6 months after opening.

Ingredients

Aqua (Water), Alcohol denat., Capsicum frutescens fruit extract*, Aloe barbadensis (Aloe vera) leaf extract*, Xanthan Gum, Gaultheria fragrantissima leaf oil, Sodium benzoate, Potassium sorbate (* = from certified organic production)

Net quantity

Net content 75 ml.

Pharmacode CH
