

## Product information MORINGA VIDA

**Moringa Vida** contains organic moringa leaf powder and organic green tea matcha powder from certified production.

The moringa leaves we use are harvested by hand and gently dried in the shade. We make sure that the moisture content of the dried Moringa leaves is below 6% before they are ground and filled into capsules mixed with the right amount of green tea extract. All ingredients are organically grown.

In the blending process, the raw materials are micronized, meaning they are crushed to a particle size of about 60 microns without being heated. We use only vegi capsule shells, made of vegetable material (HPMC) without gelling agents.

### Advantages of Moringa Vida

- All ingredients are organically grown
- With green tea matcha powder
- Gentle processing and rigorous quality controls

Our organic matcha powder also called green tea extract used in Moringa Vida is grown in Japan under optimal conditions. The plants are overshadowed for 30 days before being harvested by hand. After harvesting the Matcha is ground with old stone mills. These guarantee that the raw material is not heated. Due to the careful grinding, a maximum of 30 g of matcha is processed per hour. Green tea powder is known to increase the absorption of vital substances in the intestine. The addition of matcha makes sense for all substances that have a low bioavailability.

We check every delivery of our moringa leaf powder for microbiological impurities before processing.

### Recommended dosage

2-3 capsules per day, preferably shortly before the main meals.

### Directions for use

This product is not a substitute for a varied, balanced diet, fresh fruits and vegetables and a healthy lifestyle. Store in a cool, dry place out of the reach of children. Do not exceed the recommended dosage.

### Minimum shelf life

36 months

### Ingredients

73% Moringa oleifera\* (hand-picked moringa leaves), hydroxypropylmethylcellulose (vegetable capsule shell), 10% green tea matcha powder\*.

(\* = from certified organic production).

### Nutritional values

Amount per daily dosage of  
3 capsules (2.12 g)

Catechins 36mg

### Net quantity

Net content 51 g

72 capsules with 500 mg each  
organic moringa leaf powder and  
70 mg organic green tea extract
