

Product information MORUS VIDA

Morus Vida is rich in natural vitamin C, which contributes to normal energy metabolism.

Mulberry leaves contain many secondary plant compounds, including, for example, mulberry-typical DNJ (1-deoxynojirimycin) or glutamic acid.

Our mulberry leaves come from Ukraine. The leaves are harvested by hand and dried in the shade. They are not irradiated nor are pesticides used.

Advantages of Morus Vida

- Morus Vida is rich in natural vitamin C from acerola cherries
- Morus Vida contributes to normal energy metabolism with the ingredient vitamin C.
- Careful and gentle processing

In the blending process, the raw materials are micronized, i.e. they are crushed to a grain size of about 60 microns without being heated. We use only vegi capsule shells, made of vegetable material (HPMC) without gelatin.

Recommended dosage

Take 1 capsule daily with some liquid.

Directions for use

This product is not a substitute for a varied, balanced diet, fresh fruits and vegetables and a healthy lifestyle. Store in a cool, dry place out of the reach of children. Do not exceed the recommended dosage.
