

## Product information OPC 24 DAY CREAM

**OPC 24 Day Cream** contains smoothing jojoba oil, moisturizing shea butter, nourishing almond oil, precious aloe vera, nourishing argan oil, restorative grape seed extract, fragrant grapefruit, rose and lavender oils and invigorating aronia berry extract.

OPC 24 Day Cream is as close to a pure natural product as you can get. However, we make honest natural cosmetics and stand by the fact that a minimum of chemical additives is necessary for the durability and stability of the cream. The ingredients of OPC 24 Day Cream are 100% natural, it contains no parabens and as few preservatives as possible.

OPC is a secondary plant substance that builds collagen in the outer layer of the skin. This leads to firmer skin, significantly less wrinkle depth and a slower aging process. The OPC in the day cream comes from the grape seed and chokeberry extracts. By the way, because of these plant substances, the cream also has a brownish-pink color. A cream containing OPC is never completely white!

**The OPC 24 day cream** is packed in a noble glass bottle and a high-quality cardboard box. In the airtight bottle, the valuable ingredients of the cream are perfectly preserved. At the beginning, several pump-strokes may be necessary until the cream comes out reliably. When the cream is empty, the glass and plastic parts of the bottle can be separated and recycled separately.

### Application

Apply to face and neck in the morning after cleansing and rub in gently. Absorbs quickly.

OPC 24 Day Cream **is dermatologically tested.**

### Directions for use

Store in a cool, dry place and do not expose to sunlight. Keep out of reach of children.
