

Product information REISHI VIDA

Reishi Vida: The Reishi mushroom is found worldwide and grows mainly on deciduous trees, preferably on oaks. It is also called shiny lacquer porling, Ganoderma lucidum or Ling Zhi.

Reishi Vida contains 120 vegetarian capsules with 300 mg of spores from the dried fruit body of Reishi mushrooms from certified organic production. The spores are the valuable part of the mushroom.

Reishi Vida is produced, controlled and processed in Switzerland.

Advantages of Reishi Vida

- Reishi Vida contains Reishi spores from the dried fruiting body of the Reishi mushroom. The fruiting bodies are dried in a particularly sophisticated way so that none of the valuable ingredients are lost.
- The spores have been broken up using a special process and can thus be easily absorbed.
- The Reishi is scientifically excellently documented.
- The Reishi Vida capsules contain only the pure natural product, without fillers, flavors or artificial colors.
- The mushroom spores come from certified organic production.
- Reishi Vida is a vegan product.

Recommended dosage

We recommend taking 2 capsules daily with sufficient liquid.

Directions for use

This product is not a substitute for a varied, balanced diet, fresh fruits and vegetables and a healthy lifestyle. Store in a cool, dry place out of the reach of small children. Do not exceed recommended dosage

Minimum shelf life

36 months
